Topic 1:

Hello teachers, my full name is Le Tuan Minh. I study at FPT College. My major is Web Development. Today, I would like to talk about describe your activities during a screen-free week.

Firstly, I will talk about screen-free week, in a week I spend most of the time font- screen because I always work width computer, I think need a screen-free week because I think it is not good health.

Secondly, I would like to talk about activities that I do during a screen-free week
This is a play football , it an outdoor activity , I usually play football in pitch, in the every afternoon I usually go to the football pitch with my friends and my girlfrend . I like activy because it is fun , good health and I meet friends .

Finally, I want to talk about my feelings. This is my most essential activity during that screen-free week beacause it is happy , good health . I think it's to reduce screen time in the future important because not good for health

That's the end of my talk. Thank you for your listening

Topic 2:

Hello teachers, my full name is Le Tuan Minh. I study at FPT College. My major is Web Development. Today I want to talk about my work,

Firstly, I would like to describe my dream job. My dream job is Web Development, and it's a popular job in my country, I work in an office and it's not required to wear a uniform because I usually wear comfortable clothes to work. I usually work from 9am to 6pm. I don't work with people directly because on the computer . My workplace funny and comfortable . At workplace , I often design themes websites .

Next, I would like to talk about why I like this job. I love this job because this is my dream , I love this job because this is my dream and pay well , and the bad things about this job are being lonely and backache .

Finally, I would like to talk about my educational goals, My current major matches my dream job and I am studying for English and graduating from FPT college.

In conclusion, getting my dream job means a lot to me. I'm excited to learn and work for it.

That's the end of my talk. Thank you for your listening

Topic 3:

Hello teachers, my full name is Le Tuan Minh. I am studying at FPT College. My major is Web Development. Today, I want to talk about my favorite places in the city

First, I want to share with you some places in my city, I live in Ho Chi Minh City, it is a big city with about 9 million people and it is a beautiful city, the people are friendly

Secondly, I would like to talk about my favorite place. My favorite place is Ben Thanh market because it looks very beautiful and it is famous because it is classic, it is in District 1, Ho Chi Minh City. There are many stores in the market. And here are also many restaurants and shopping centers nearby. I always go to bike my house is 6 km from the market it takes 30 minutes to get there from my house. I usually go there once a month, I go to shopping and eat food in the market.

Finally, I would like to talk about my experience about that place. I usually go there once a month with friends and family, I like it because it is classic and artistic it is a great place to visit
